

It is with great excitement and pleasure that we officially launch our refreshed Warrina Homes brand identity.

This exciting transformation capitalises on the value built in Warrina Homes' brand, and positions us as a mature market leader evolving and growing to meet changing consumer needs.

Our logo holds significant value in the symbolism of its elements, which together underpin our brand values and communicate the unique aspects of Warrina Homes.

Cross of Light

- Highlighted as a light switched on in the window, the cross represents hope and glory in Christ not bounded by this world and its elements.

Huddle of Homes

- The 3 roof lines reflect the diversity of accommodation available at Warrina Homes; Retirement Villages, Serviced Apartments and Residential Aged Care. These elements also convey the ideals of home, lifestyle and a sharing community.

Garden & Trees

- Warrina Homes offers a unique setting amongst well-established and landscaped gardens providing a sense of tranquility, contentment and enjoyment of one's surrounds.

Dove

- A universal symbol of peace, the dove also evokes our home locations amongst stunning natural environs. It is also a reference to the Holy Spirit and our Christian ethos.

The Board has also endorsed a new set of core values that are the foundation of our principles and actions to ensure we are all working together to achieve common goals.

Christian

Our Christian ethos is the foundation of everything that we do because we believe this approach best reflects the greatest of values and ideals.

Care

Excellence in care is achieved by prioritising the wellbeing of our residents, and creating relationships built on respect, dignity and trust.

We achieve when we are working together fostering an environment that champions personal and professional growth.
