

Clinical Manager – Warrina Court

Campbelltown, Adelaide
Healthcare & Medical
Nursing - Aged Care
Base + Super + Salary Sacrifice + Full-Time

Are you an experienced Clinical Manager looking for an exciting move into a small boutique Aged Care provider where excellence in care is our focus and full support is in place to make a difference to the lives of our Residents and employees? Our beautiful 35-bed facility in Campbelltown may be the opportunity you have been looking for.

Warrina Homes Inc. may be the organisation for you

Warrina Homes is a leading high quality not-for-profit Aged Care organisation in Adelaide's North Eastern Suburbs. Guided by Christian Values, we maintain a full spectrum of care that seeks to meet our Residents' physical, spiritual and emotional needs.

The opportunity:

The Clinical Manager at Warrina Court has full clinical oversight of the Home, providing leadership and support to the care team. This includes the management of clinical reporting and documentation, as well as employee education and mentoring to ensure quality care outcomes. The role will also provide oversight of all specialised nursing and dementia care. Working closely with the Executive Manager Residential Services and leadership team, the Clinical Manager will ensure consistent compliance with all Aged Care Quality Standards and Warrina Homes policies and procedures by ensuring all employees adhere to safe practices and follow all WHS requirements.

More about you:

- Proven experience in a Senior Clinical Leadership role and a Registered Nurse with AHPRA.
- Articulate, a strategic thinker and a great team player.
- Positive and upbeat with a passion for leading teams in order to deliver quality person-centred aged care.
- Comprehensive knowledge of relevant legislation applicable to Residential Aged Care Services including funding and accreditation systems and processes.
- Excellent written and verbal communication skills as well as proven strengths in negotiation, collaboration, networking, report writing, lateral thinking and problem solving.
- Hold a valid driver's licence.

The role requirements:

- Provide clinical leadership to the care team on site to ensure quality holistic care.
- Build partnerships with families and employees to foster a person-centred approach culture.
- Monitor resident care to ensure that standards and requirements are met.
- Develop and maintain Resident care plans based on clinical assessment.
- Managing feedback from all stakeholders, including concerns or complaints.
- Experience with ACFI documentation and an understanding of AN-ACC funding transition.
- Experience and understanding of the Aged Care Standards.
- Provide expertise in specific clinical areas such as palliative care, pain management, care of the persons with dementia and acute care intervention.

The benefits to you:

- Generous salary with access to salary packaging.
- Laptop and Mobile phone.
- Access to an Employee Assistance Program.
- Supportive and friendly team that will help to rise to the challenge.
- A workplace where all employees are valued.

Requirements:

- Current Flu Vaccination
- COVID-19 Vaccination Digital Certificate or Immunisation History
- Current Aged Care Police Clearance
